**NOTE:** For individual bike models please refer to the bike's Quick Reference Guide found on the bike's product detail page for more detailed fender related requirements.

**NOTE:** The smaller rack sizes come with trimmable rack support arms that will work with any size bike when you trim to fit, or choose the larger size to get pre-cut racks support arms to fit larger bike sizes, see size range for details. For both models, the actual racks is the same size.

\*Requires eyeletted seatpost clamp (ex. SKU's 415183 or 415184)
